When you give to United Way of the Pennyrile, your contribution becomes part of something bigger—uniting with thousands of others to create lasting change in Christian, Todd, and Trigg Counties. Together, we help strengthen the foundation of local health and human service programs so our entire community can thrive.

Each year, a dedicated panel of local volunteers carefully reviews funding requests to ensure your gift goes where it's needed most. Donations are invested directly into programs that meet the unique needs of our community.

**YOUR SUPPORT IS POWERFUL, AND YOUR GENEROSITY BRINGS HOPE.  
THANK YOU FOR STANDING UNITED WITH US.**
